## Main Attractions of Gwanggyo Lake Park

### Urban Levee

Waterfront space full of character

The Urban Levee has become symbolic facilities of Gwanggyo Lake Park as its waterfront choice creates a unique, magnificent scene that achieves harmony with the skyscrapers around the lake. It is highly recommended to visit the lake at night as the lights add to the romantic mood of the place, gently illuminating the lake.

### Observatory Freiburg

Romantic nightscape

The observatory was modeled on the one in Freiburg, the environmental capital of Germany, to commemorate the sisterhood relationship between Suwon and Freiburg established in 2015 and represent Suwon's will to become Korea's environmental capital. The observatory constitutes part of the beautiful nightscape of Gwanggyo together with the Suwon Convention Center and the Urban Levee, open all year round. ☎ 070-8800-2460

### Gwanggyo Pureunsup Library

A pleasant space for reading in the forest

Gwanggyo Pureunsup Library is a specialized library with the theme of "healing in nature" and its design is focused on achieving harmony with the surrounding natural environment, including Gwanggyo Lake Park. It is a scenic library where the residents of Gwanggyo and Suwon can experience healing while in nature. It is a nice place with a cozy atmosphere in which to rest after a week in the park, closed on the first and third Mondays of each month. ☎ 001-228-9337

### The Secret of Water Cylinder

Cool summer, refreshing getaway

Citizens of Suwon love to come here in the summertime. With a round in-ground fountain and a semi-circular Byeoncheon Fountain that wraps around like a curtain, it is a popular place for children to frolic in the water. Many families set up a tent in the vicinity of the fountain and enjoy their free time here.
