Main Attractions of Gwanggyo Lake Park

Urban Levee

Waterfront space full of character

The Urban Levees have become symbolic facilities of Gwanggyo Lake Park as its waterfront decks create a unique, magnificent scene that achieves harmony with the skyscrapers around the lake. It is highly recommended to visit the lake at night as the lights add to the romantic mood of the place, gently illuminating the lake.

The Fun Field/ Sports Climbing Structure

Leisure facilities

The lawn plaza located between Woncheon Lake and Sindae Lake is famous as a venue for large-scale events such as the Suwon Jazz Festival. In the corner of the park is a large, well-equipped sports climbing structure, (closed on Mondays) ☎ 031-290-6032

Observatory Freiburg

Romantic nightscape

The observatory was modeled on the one in Freiburg, the environmental capital of Germany, to commemorate the sisterhood relationship between Suwon and Freiburg established in 2015 and represent Suwon's will to become Korea's environmental capital. The observatory constitutes part of the beautiful nightscape of Gwanggyo together with the Suwon Convention Center and the Urban Levees, (open all year round) ☎ 070-8800-2460

Gwanggyo Pureunsup Library

A pleasant space for reading in the forest

Gwanggyo Pureunsup Library is a specialized library with the theme of "healing in nature" and its design is focused on achieving harmony with the surrounding natural environment, including Gwanggyo Lake Park. It is a scenic library where the residents of Gwanggyo and Suwon can experience healing while in nature. It is a nice place with a cozy atmosphere in which to rest after a walk in the park, (closed on the first and third Mondays of each month) ☎ 031-228-3537
